LIVESTOCK EXPOSITION

LUCKY THIRTEENTH

To those inclined to be superstitious, the number "thirteen" has an ominous connotation. But to those involved in the founding and fostering of the Pennsylvania Livestock Exposition, they consider it their good fortune to announce the thirteenth annual event, November 8 through 15, at the Farm Show Building, Harrisburg.

The acceptance of the Exposition by the livestock industry has been the dominant factor in maintaining the event's uninterrupted history. Modestly, the planners attribute the response to their pacing the show to conform with many changes that have taken place in the industry in recent years.

The Exposition opened its doors in 1957 with the announced purpose of stressing the improvement of meat producing animals. It has bridged its own "generation gap" in recent years by shifting that emphasis in a direction to meet the ever increasing demands of the quality conscious consumer for the best meat that money can buy.

The Pennsylvania Livestock Exposition is a major international event. It has earned that reputation by offering livestock breeders a highly competitive and congenial atmosphere. We look forward to greeting many who have entered their animals in our show rings over the years, and we especially extend an invitation to those who have not previously exhibited to join us for our lucky thirteenth.

HAMPSHIRE SHEEP SALE RULES AND REGULATIONS

The Pennsylvania Hampshire Sheep Association invites you to consign your Hampshire sheep to its second HAMPSHIRE YEARLING BRED EWE SHOW AND SALE to be held Tuesday, November 11, 1969. The show will be part of the regular Hampshire breeding class show beginning at 9:00 a.m., November 11, 1969. The sale will be held in the Sheep Arena in the Farm Show Building at 7 p.m. on the same date.

The Pennsylvania Livestock Exposition and the Pennsylvania Livestock and Allied Industries Association are cooperating in providing a most attractive special class in the Premium List for the sale sheep -- class 45A in the Hampshire division above.

Entry Information

This guarantee is made by the consignor and settlement must be made between him and the purchaser. The Exposition or Sale Manager will not accept responsibility in the guarantee.

4. Entry fee \$6.00*. This includes entry fee for the Pennsylvania Livestock. There will be no refund of entry fees.

5. A sale charge of 8% will be made on all sheep sold.

6. Substitution within reason or that which improves the quality of the sheep offered for sale will be accepted.

b. Junior Contest--Open to State 4-H and F.F.A. Judging Teams.

2. All entries for the contest must reach the chairmen not later than November 1, 1969.

Intercollegiate--Thomas L. Merritt

3a. Each Intercollegiate Team shall consist of five members.

b. Each Junior Team shall consist of three members.

c. The members of each team will report to their respective chairman in the Small arena at the Farm Show Building at 7:45 a.m., Thursday, November 13, 1969. Each contestant will be assigned a number and given instructions as the chairman may deem necessary. Not more than seven contestants from each College or University may judge or give oral reasons. The five high scoring individuals from each institution will constitute the team score.

4. While the contest is in progress, there will be no conferring between contestants or between a contestant and anyone else, except as directed by the Chairman or his representatives.

5. Eligibility:

a. Collegiate--Any agricultural college undergraduate student representing his institution who is in attendance as a regularly enrolled student in the institution, and who has taken not less than one year undergraduate work in that institution, who has never represented an institution in any intercollegiate livestock judging contest previous to the year in which the contest is held, who has never acted as an official judge of livestock at a fair or show, and who has at no time served in the capacity of teacher of livestock judging in an agricultural college or secondary school, may be entered as a member of a team to represent the college in which he or she is matriculated. Having been an alternate on a team of a previous year shall not debar a student from taking part in the contest.

b. Junior--Each state is eligible to enter one 4-H Livestock Judging Team and/or one F.F.A. Livestock Judging Team. The team members may be selected in a manner determined by the State Extension Service or the F.F.A. Organization.

Contestants must have conducted a livestock project in beef cattle, sheep, or swine during 1969--approved by the organization that they represent.

Each contestant must have passed his or her 14th and not passed his or her 21st birthday on January 1, 1969.

Contestants must not have enrolled in college prior to September of the current year nor have participated in a judging contest of a national nature prior to 1969.

6. Classes--Twelve classes consisting of four individuals each shall be judged. Five classes of beef cattle, three classes of sheep and four classes of hogs. Cattle and sheep shall be identified by numbers 1, 2, 3, 4 on the arm of an attendant. The animals shall be lined up consecutively in single file numbered 1-4.

7. Time--Fifteen minutes will be allowed contestants to place beef cattle, sheep and hogs, two minutes additional to make such notes as may be necessary for the classes on which oral reasons will be required.

8. Card Placing--The students will hand to the Chairman or his assistant the card bearing his placing of the ring as soon as time is up. This card will be given to each student when he is called before the committee to give his oral reasons. The student will not be permitted to use notes when giving his reasons, but shall have the card upon which he recorded his placing.

9. Oral Reasons--Shall be given upon classes in each group of the above mentioned livestock. The contestants shall be notified at the time of placing whether or not reasons will be required on the ring then being judged. Reasons shall be given orally before the judge or judges, and for this purpose private rooms will be provided. Two minutes will be permitted for each class.

10. Final Standing--Shall be based upon both the placing and the oral reasons. Fifty points shall constitute a perfect score in placing the animals; 50 points shall constitute a perfect score for oral reasons. In classes where no reasons are required, the placing only will be considered.

11. Class Supervisor--A man will be placed in charge of each class of livestock to act as supervisor of that class, to observe the contestants, to see that the animals are properly shown, and to answer any question which does not pertain to the actual placing or instruction regarding the animals under consideration.
